# What's Included With Your Order

## ABC's All-Inclusive Bundles: Coursebooks, eBooks, and CourseWave Online Testing

Included in every ABC Coursebook are pretests and posttests where question type and number match state blueprints exactly. These questions are clearly labeled with DOK level and standard for easy concept identification. Our CourseWave Online Testing maps directly to Coursebook content, ensuring a seamless testing experience for students. In CourseWave eBooks, students and teachers can highlight, annotate, bookmark, and more—treat the eBook like a paper book, only better. Whether in the classroom or at home, wherever students access the internet, ABC is there.

## Teacher's Guides:

The ABC Teacher Guide is not only your answer key for all tests and quizzes, but also offers assessments not included in the student Coursebook. With all the same features as our enhanced eBooks, the teacher guide is **FREE** with your purchase.

## Data-driven Instruction Made Easy:

The included pre- and posttests are aligned directly to the **Louisiana Student Standards**. Use our robust score reporting tools to instantly identify learning gaps at the student or classroom level, then use the Chart of Standards in your teacher guide to identify more opportunities for practice.
