Our Story

Hi, I am Colleen Pintozzi, President of American Book Company. Our family business started with a dream and a relentless desire to help students achieve. On February 21, 1996, ABC received its first order to help students pass high stakes tests in South Carolina. That one order launched our dreams to help struggling students achieve success. My husband, Dr. Frank Pintozzi, and I, along with our son, Devin Pintozzi, started American Book Company from the family garage.

Applying our combined 55 years of teaching experience, along with a talented team of employees passionate about education, we continue our quest to help students and educators across the United States excel on state and national exams.

We look forward to continuing to work and collaborate with you in helping your students achieve guaranteed academic growth and success.

Sincerely,

Founder, American Book Company

The ABC Team

What's Included With Your Order

Simulated Assessments Matched to State Testing Standards!

Included in every ABC workbook is our pretest and posttest where question type and number match state blueprints exactly. Each question is clearly labeled with the DOK level and corresponding standard for easy concept identification. These tests offer opportunities for students to become familiar with the question format and answer requirements.

Teacher's Guides!

The ABC teacher guide is not only your answer key for all tests and quizzes, but also offers assessments not included in the student workbook. Even better, it's included **FREE** with every workbook purchase.

Targeted Instruction Made Easy!

After students take the pretest included in our workbooks, you can reference the Chart of Standards to quickly identify learning gaps. The corresponding chapter is listed where you can find even more content and practice!
