# What's Included With Your Order

## ABC's All-Inclusive Resources: Coursebooks, eBooks, and CourseWave Online Testing

Included in every ABC Coursebook are pretests and posttests where question type and number match state blueprints exactly. These questions are clearly labeled with DOK level and standard for easy concept identification. Our CourseWave Online Testing maps directly to Coursebook content, ensuring a seamless testing experience for students. In CourseWave eBooks, students and teachers can highlight, annotate, bookmark, and more—treat the eBook like a paper book, only better. Whether in the classroom or at home, wherever students access the internet, ABC is there.

## Teacher's Guides:

The ABC Teacher Guide is not only your answer key for all tests and quizzes, but also offers assessments not included in the student Coursebook. With all the same features as our enhanced eBooks, the teacher guide is **FREE** with your purchase.

## Data-driven Instruction Made Easy:

The included pre- and posttests are aligned directly to the **North Carolina Standard Course of Study**. Use our robust score reporting tools to instantly identify learning gaps at the student or classroom level, then use the Chart of Standards in your teacher guide to identify more opportunities for practice.

### Why Ice Cream Is Popular

Ice cream is a popular dessert in the United States. People of all ages enjoy ice cream for its sweet creamy taste. Ice cream also comes in many flavors. Some of the best flavors for everyone are chocolate, vanilla, and strawberry.

Ice cream is also easy to find. You can buy it in their grocery stores, restaurants, and fast food stores. You can get ice cream in cartons. You can also buy ice cream cones, ice cream bars, and ice cream sandwiches.

Some people like ice cream mixed with milk and a favorite syrup, like chocolate or caramel. These ice cream shakes make a cool delicious dessert on a hot summer day.

You can also celebrate special events with ice cream, too. Who can resist an ice cream cake for a birthday party? Put a scoop of vanilla ice cream on a piece of chocolate cake. You will make a birthday memory.
