# Why ABC?

ABC has been writing and publishing coursebooks to support student success for over 28 years. Our content covers **100% of the South Carolina College and Career-Ready Standards**, by grade-level and subject – including assessments aligned to state blueprints.

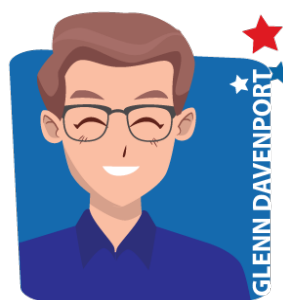

- **Standards-alignment:** ABC’s coursebooks are the most highly standards-aligned content resources available. Our intense focus on standard-content-assessment alignment means teachers can feel confident that students will master all of the standards using their ABC coursebooks and digital resources!
- **More time for teacher-facilitated, high-level learning:** Mastering content requires learning effective strategies that equal success in the classroom and beyond. ABC coursebooks are designed to support student efforts to develop lifelong learning skills.
- **Data-driven instruction through Online Assessment** with ABC’s digital platform, CourseWave - included with all coursebook purchases!

# What's Included With Your Order

## ABC's All-Inclusive Resources: Coursebooks, eBooks, and CourseWave Online Testing

Included in every ABC coursebook are pretests and posttests where question type and number match state blueprints exactly. These questions are clearly labeled with DOK level and standard for easy concept identification. Our CourseWave Online Testing maps directly to coursebook content, ensuring a seamless testing experience for students. In CourseWave eBooks, students and teachers can highlight, annotate, bookmark, and more—treat the eBook like a paper book, only better. Whether in the classroom or at home, wherever students access the internet, ABC is there.

## Teacher's Guides:

The ABC Teacher Guide is not only your answer key for all tests and quizzes, but also offers assessments not included in the student coursebook. With all the same features as our enhanced eBooks, the teacher guide is **FREE** with your purchase.

## Data-driven Instruction Made Easy:

The included pre- and posttests are aligned directly to the **South Carolina College and Career-Ready Standards**. Use our robust score reporting tools to instantly identify learning gaps at the student or classroom level, then use the Chart of Standards in your teacher guide to identify more opportunities for practice.

Standard	Chapter	Pretest Questions	Posttest Questions
7.1	2	3, 5, 10, 11, 12, 15, 16, 17, 18, 20, 22, 25, 33	3, 5, 13, 19, 20, 21, 22, 24, 25, 27, 28, 31, 32, 38, 39, 48

## Score Improvement Guarantee

Our 100% money back guarantee provides your score improvements -risk free- and is valid for the purchase year under the following conditions:

- The students worked through the coursebooks completely on a 1:1 basis.
- The students did not see score improvement on the state standardized tests over the previous year's score.
- Students did not use American Book Company coursebooks in the classroom in previous year.

### Spice Up Your Sandwiches

There are many ways to make a sandwich more interesting. Instead of the same old turkey or ham, why not use leftover chicken? You can use a tortilla instead of bread or even serve the sandwich in bites on crackers. Some people like grilled vegetable sandwiches.

## Central Ideas in Informational Texts

### What Is an Informational Text?

An **informational text** is a nonfiction text that provides facts, explanations, or insights about a topic. Unlike literary texts that entertain, informational texts are designed to educate, explain, or inform the reader.

Examples include:

- News articles that report current events
- Essays that explain or argue ideas
- Textbooks that explain academic subjects
- Scientific and historical accounts that present research or discoveries

## 2.1 REAL NUMBERS (DOK 1)

**Real numbers** include all positive and negative numbers and zero. Included in the set of real numbers are rational and irrational numbers. **Rational numbers** include integers and all repeating and terminating decimals, like  $\frac{1}{3} = 0.\overline{3}$  and 1.9856. If a number cannot be expressed as a fraction, then it is not rational. It is irrational. Real numbers include all numbers that can be expressed as a fraction or decimal that ends or repeats.
